PRODUCT DESIGNER

EDUCATION

California College of the Arts

Bachelor of Fine Arts May 2022

Major in Industrial Design;

Minor in History of Art and Visual Culture

• Creative Award Scholarship

EXPERIENCE

Design Intern Motorcycle wheel

Weihai Wanfeng Aowei Auto Wheel Co. 6 months, 2020 Weihai, China

Engaged in a wheel design team

• Learned Siemens NX, took measurements and did digital modeling for machined parts

• Operated 3D scanner machine to check samples and marked dimensions on drawing sheets and Excel files

• Translated about 15 documents on manufacturing and inspection instruction from Harley-Davidson

Design Intern Industrial and Graphics

Fluid Energy Controls 1.5 months, 2019 City of Industry, California

• Did digital rendering or photoshoot of new products

• Created the files of printed brochures

• Rearranged information on website

SPECIAL PROJECT

Design Challenge Autodesk x Toyota

School project 3 months, 2022 San Francisco, California

• Won a 2nd prize for the design challenge

• Identified a problem that design can solve for

• Designed a drone and its automatic cage system

• Created a digital interface as part of the workflow
